THE MONTHLY NEWSLETTER FOR THE HAPPENINGS AT TIMBERLANE COUNTRY CLUB

THE PRESIDENT'S MESSAGE

FROM EMILE "BUBBY" GAUTHREAU

We had a general membership meeting in November to explain the conversion of our current billing system to a credit card/cash system. The meeting was very well attended and there were many valid issues brought up by the membership. The meeting concluded with my promise to address the issues and concerns voiced by the membership at the next board meeting. I was very pleased with the turnout

and the passion exhibited for our club's future.

The board met on November 24th and discussed many of the issues at length and after several hours we decided to continue discussions at a special session on December 1st. However, the board did decide to delay the implementation of the credit card/cash system until January 1st. We would urge everyone to try to comply with

this system during the month of December.

Remember, we all wish for Timberlane to continue as a vibrant and wholesome country club, but your support and the support of the community is essential to our survival in these financially tenuous times.

Happy Holidays to All! Hopefully you all know about our catering service. We prepared several Thanksgiving Dinners for our members this year and will be doing the same for Christmas. The menu will change so look for the emails coming soon. During the month of November we held several events like our Wine of the Month Club, The Santa Visit, and a new one, Painting with a Twist. The members support has been wonderful for all three. So much support and fun was had by all participants in Painting with a Twist that we are having another class on December 15th. Last time we painted a portrait of Drew Brees.

This time we are letting you decide between two pictures. If you are interested please send your vote to us with your reservation. The email with all the info went out yesterday. December 17th is our Bourbon Tasting. Republic will be sampling several bourbons and will be bringing someone to monogram your purchases. Bourbon makes great Christmas gifts! Les Dames will be holding their Christmas party December 11th, so please make your reservations. Just a reminder to all, starting December 1st the kitchen will be closed on Tuesday and Wednesday. You will be able to purchase the soup of the day, sandwiches, and salads,

however there will only be one server/bartender. The Men's grill, the pro-shop, the bar, and the ladies locker room will all be open for your convenience. We would also like to thank all of the members who have signed up for the new Automatic Payment Plan with their credit cards. Moving forward we will have the credit card forms available for you to register in the Club House and the pro Shop. Please do so as soon as possible since this is the last month you will be able to charge to your account.

I would like to thank all my staff for their contributions and hard work. December will be one of our most prosperous months on the year and we are looking forward to serving all of you. May your Holidays be Happy and your New Year be full of Hope.
